What's going on around the... MOUNTAIN TRAIL COURSE

Thank you for helping our new venture become such a success!

We've had riders from all over the North East, several different horse clubs and two very successful clinics with Mark Bolender. We saw every age of horse & rider, breed, color, size, discipline, and ability join us, taking advantage of the only course of its kind in New England.

If you did not get a chance to take a mini clinic with Heather, Hannah or Kristy there is still time this year, or we can get you in early in 2021 so you can join these super fun play days.

Next year we will be adding schooling and IMTCA Mountain Trail Challenges to our calendar, so you will get a chance to show how your practice is paying off!
