### Happy New Year!

#### We hope your Holiday was full of love and family.

January is always a time to look back at the previous year and make some goals for the next year. 2020 brought lots of changes and challenges, but also some wonderful horses, clients and programs. Let us help you with your 2021 goals for you and your horse!

Many of you know Hannah and Kristy log every horse they ride during the year, whether it be training horses, their own horses, sale horses or even tuning up our amazing lesson horses.

**Drumroll!!!! Hannah had 1532 rides in 2020, and Kristy had 1873!**

For reference in 2019 they did 1287 & 1590 rides respectively.

This does not count the number of LESSONS both ladies give, with Hannah travelling off-property several times a week to instruct. WOW! Amazing, since both ladies are also heavily involved in the daily running of the farm – riding is not their only job!

If you have an event or announcement you would like added, contact Christine Geddes on facebook or email at christine.geddes@hotmail.com

### Client Spotlight

This month we would like to introduce you to Christine and Emerald! Christine has been leasing at MLF for a couple of years and was thinking of buying a horse in the Spring. Heather brought Emerald home this Fall and started using her for lessons and trail rides when Christine fell in love and decided to purchase her. They enjoy trail rides alone and with friends. Emerald is a 16 y/o registered Morgan mare. They are a great team!
