Best time of year!

Have you been out enjoying the trails yet? We are seeing lots of wildlife – turkeys, deer, coyotes, even a bobcat and moose! Hunting season will be upon us soon, so while much of the land we ride on is private, it's still wise to wear your safety orange.

We have several "Welcomes" to extend! Lily Gibson got a lovely new mare named Nevada, Catie Stack has a gorgeous new gaited gelding Ruger, and Sydney Geddes found a great partner in Kalypso! Welcome to the MLF family, we look forward to seeing you on the trails, in the rings, and on the trail course! See below for pictures 😊

Please pay special attention to the reverse for some important rate changes.

Please see the back for the master calendar. There have been small updates for several of the categories.

Our final official IMTCA recognized Challenge is coming in a few weeks! Join us October 16 on the course. Please remember that all entries MUST be made by Friday 10/15 at noon. Registration is not available the day of the event. The class list and course patterns are posted on Mountainlanefarm.com under the FORMS section.

We only have two more scheduled play dates this year: Oct 2 & Oct 10. Last week Jen Stowe and Wyatt showed us how to canter through the water obstacle. Join us on the course as the leaves change and the bugs have gone.

Please join us November 6 from 10 – 1 for a Free Play Day to wrap up our Mountain Trail Challenge Series. The course will be open for all to enjoy. Food/snacks will be provided, and we will announce our year end awards at noon!

See you on the course!!
