 Open to ALL Riders

Team Class: Two or more riders per team. The course is divided into sections based on the number of teams.

Gamblers Choice: The rules are different. You have 2 minutes to show your skills. Safely navigating the obstacles is all that counts. However, if a horse steps out with just one foot the obstacle does not count for a score. Each obstacle has a value. You must be across the finish line before the 2 minutes are up or the last obstacle score does not count.
